26 CFR Ch. I (4-1-13 Edition)

W-2G or 5754 (whichever is applicable) made under the penalties of perjury containing—

(1) The name, address, and taxpayer identification number of the winner accompanied by a declaration that no other person is entitled to any portion of such payment, or

(2) The name, address, and taxpayer identification number of the recipient and of every person entitled to any portion of such payment.

If more than one payment of winnings subject to withholding is to be made with respect to a single wager, for example in the case of an annuity, the recipient is required by paragraph (e) of this section to furnish the payer a statement with respect to the first such payment only, provided that such other payments are taken into account in a return required by paragraph (f) of this section.

(f) *Return of payer*—(1) *In general.* Every person making payment of winnings for which a statement is required under paragraph (e) of this section shall file a return on Form W-2G with the Internal Revenue Service Center serving the district in which is located the principal place of business of the person making the return on or before February 28 (March 31 if filed electronically) of the calendar year following the calendar year in which the payment of winnings is made. The return required by this paragraph (f) of the section, need not include the statement by the recipient required by paragraph (e) of this section and, therefore, need not be signed by the recipient, provided such statement is retained as long as the contents thereof may become material in the administration of any internal revenue law. For payments to more than one winner, a separate Form W-2G, which in no event need be signed by the winner, shall be filed with respect to each such winner. Each Form W-2G shall contain the following:

(i) The name, address, and employer identification number of the payer;

(ii) The name, address, and social security account number of the winner;

(iii) The date, amount of the payment, and amount withheld;

(iv) The type of wagering transaction;

(v) Except with respect to winnings from a wager placed in a State-conducted lottery, a specific description of two types of identification, *e.g.*, driver's license number and issuing State, social security account number of voter registration number and jurisdiction, furnished the payer for verification of the recipient's name, address, and social security account number; and

(vi) With respect to amounts paid after December 31, 1983, the amount of winnings from identical wagers.

The return of the payer need not contain the information required by subdivision (v) of this paragraph (f)(1) provided such information is obtained with respect to the recipient of such winnings and retained as long as the contents thereof may become material in the administration of any internal revenue law.

(2) *Transmittal form.* Persons making payments of winnings subject to withholding shall use Form W-3G to transmit Forms W-2G to the Internal Revenue Service Centers.

§ 31.3402(r)-1 Withholding on distributions of Indian gaming profits to tribal members.

(a) (1) *General rule.* Section 3402(r)(1) requires every person, including an Indian tribe, making a payment to a member of an Indian tribe from the net revenues of any class II or class III gaming activity, as defined in 25 U.S.C. 2703, conducted or licensed by such tribe to deduct and withhold from such payment a tax in an amount equal to such payment's proportionate share of the annualized tax, as that term is defined in section 3402(r)(3).

(2) *Withholding tables.* Except as provided in paragraph (a)(4) of this section, the amount of a payment's proportionate share of the annualized tax shall be determined under the applicable table provided by the Commissioner.

(3) *Annualized amount of payment.* Section 3402(r)(5) provides that payments shall be placed on an annualized basis under regulations prescribed by the Secretary. A payment may be placed on an annualized basis by multiplying the amount of the payment by the total number of payments to be made in a calendar year. For example, a monthly payment may be annualized by multiplying the amount of the payment by 12. Similarly, a quarterly payment may be annualized by multiplying the amount of the payment by 4.

(4) *Alternate withholding procedures—*
 (i) *In general.* Any procedure for determining the amount to be deducted and withheld under section 3402(r) may be used, provided that the amount of tax deducted and withheld is substantially the same as it would be using the tables provided by the Commissioner under paragraph (a)(2) of this section. At the election of an Indian tribe, the amount to be deducted and withheld under section 3402(r) shall be determined in accordance with this alternate procedure.

(ii) *Method of election.* It is sufficient for purposes of making an election under this paragraph (a)(4) that an Indian tribe evidence the election in any reasonable way, including use of a particular method. Thus, no written election is required.

(5) *Additional withholding permitted.* Consistent with the provisions of section 3402(p), a tribal member and a tribe may enter into an agreement to provide for the deduction and withholding of additional amounts from payments in order to satisfy the anticipated tax liability of the tribal member. The agreement may be made in a manner similar to that described in § 31.3402(p)-1 (with respect to voluntary withholding agreements between employees and employers).

(b) *Effective date.* This section applies to payments made after December 31, 1994.

§ 31.3403-1 Liability for tax.

Every employer required to deduct and withhold the tax under section 3402 from the wages of an employee is liable for the payment of such tax whether or not it is collected from the employee

by the employer. If, for example, the employer deducts less than the correct amount of tax, or if he fails to deduct any part of the tax, he is nevertheless liable for the correct amount of the tax. See, however, § 31.3402(d)-1. The employer is relieved of liability to any other person for the amount of any such tax withheld and paid to the district director or deposited with a duly designated depository of the United States.

§ 31.3404-1 Return and payment by governmental employer.

If the United States, or a State, Territory, Puerto Rico, or a political subdivision thereof, or the District of Columbia, or any agency or instrumentality of any one or more of the foregoing, is an employer required to deduct and withhold tax under Chapter 24, the return of the amount deducted and withheld as such tax may be made by the officer or employee having control of the payment of the wages or other officer or employee appropriately designated for that purpose. (For provisions relating to the execution and filing of returns, see Subpart G of the regulations in this part.)
